Washington, D.C. 20231

Re: U.S. Continuation-in-Part Patent Application  
Serial No. 08/478,192;  
Filed on June 7, 1995;  
Inventors: Brad Jendersee et al.;  
For: STENT DELIVERY AND DEPLOYMENT METHOD

Dear Sirs:

In response to a request from the U.S. Patent Office concerning different patent application filed on June 7, 1995, we faxed a Form 1082 to the Office to replace a Form 1.60 which was filed with the application.

We believe the Office also would prefer a Form 1082 in the continuation-in-part application referenced above, Ser. No. 08/478,192. Accordingly, we are submitting such a form with the enclosed Assignment. Additionally, we are submitting an executed Declaration for Patent Application and an executed Verified Statement Claiming Small Entity Status. The Declarations enclosed with Ser. No. 08/478,192 were not executed.

We have enclosed a check for \$65.00 as fees for late filing of the executed Declaration. The Office is authorized to charge payment of any additional fees, or to credit any overpayment, to Deposit Account No. 05-0150.

Respectfully submitted,

*Janet K Castaneda*
